Supporting Immigrant Communities Ad Hoc Meeting Agenda and Notes - June 16, 2026

1. **Status of Immigrant Services Support NOFA**
    - Draft complete; in the process of being translated into Spanish by a third-party consultant. Consultant expects complete translation by end of next week. Central Purchasing required 3-5 business days to post. NOFA should be released to the public end of June/early July.
2. **Research into Family Resilience/Deportation Support Program**
    - Staff shared information about current providers operating in a similar space. Discussed legal limitations to providing funding for targeted populations, and requirement to have a procurement process for any community providers.
    - Staff discussed County's current Emergency Financial Assistance (EFA) program, which could be leveraged during a large-scale immigration event and community impacts to meet this same interest. Ad Hoc directed the County utilize the EFA program, and consider amendments to the dollar value and benefit durations when the EFA program is brought to the Board in 2027. EFA provider contracts expire in 2027 and a new RFP will be conducted for providers shortly.
3. **Conclusion of the Ad Hoc**
    - The AD Hoc previously discussed concluding their work ahead of the August 2026 one-year mark. Following finalization of the NOFA and approach to providing family resilience support through the EFA, all initiatives of the Ad Hoc have now concluded. This will be the last meeting of the Ad Hoc.
4. **Coordinate Belonging the Bay attendance**
    - Staff will continue to attend.

5. **Next Meetings** –
    - None.
