LOCATION

The work to be done and referred to herein is in Sonoma County, State of California, and is the OBAG 2-REHABILITATION OF VARIOUS ROADS, FEDERAL AID PROJECT NO. STPL 5920 (166). Project shall be constructed in accordance with the Special Provisions (including the payment of not less than the minimum wage rates set forth therein) and the contract annexed hereto and also in accordance with the Project Plans, Standard Plans, dated 2018, the Standard Specifications, dated 2018, the current General Prevailing Wage Rates according to the California Department of Industrial Relations, and the current issue of the California Department of Transportation publication entitled "Labor Surcharge and Equipment Rental Rates," on file with the California Department of Industrial Relations (telephone 415 703-4774).

Bids are submitted for the entire work. The total amount of the bid for comparison purposes will be determined on the basis of item price and then the total of the individual items. The total of unit basis items will be determined by extension of the item price bid on the basis of the estimated quantity set forth for the item.

The bidder shall set forth for each item of work, in clearly legible figures, an item price and a total of the item in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Total" column shall be the extension of the item price bid on the basis of the estimated quantity for the item.

In case of discrepancy between the unit price and the total set forth for a unit basis item, the unit price shall prevail, except as provided in (a) or (b), as follows:

- (a) If the amount set forth as a unit price is unreadable or otherwise unclear, or is omitted, or is the same as the amount as the entry in the item total column, then the amount set forth in the item total column for the item shall prevail and shall be divided by the estimated quantity for the item and the price thus obtained shall be the unit price;
- (b) (Decimal Errors) If the product of the entered unit price and the estimated quantity is exactly off by a factor of ten, one hundred, etc., or one-tenth, or one-hundredth, etc. from the entered total, the discrepancy will be resolved by using the entered unit price or item total, whichever most closely approximates percentage-wise the unit price or item total in the County of Sonoma's Final Estimate of cost.

If both the unit price and the item total are unreadable or otherwise unclear, or are omitted, the bid may be deemed irregular. Likewise if the item total for a lump sum item is unreadable or otherwise unclear, or is omitted, the bid may be deemed irregular unless the project being bid has only a single item and a clear, readable total bid is provided.

Symbols such as commas and dollar signs will be ignored and have no mathematical significance in establishing any unit price or item total or lump sums. Written unit prices, item totals and lump sums will be interpreted according to the number of digits and, if applicable, decimal placement. Cents symbols also have no significance in establishing any unit price or item total since all figures are assumed to be expressed in dollars and/or decimal fractions of a dollar. Bids on lump sum items shall be item totals only; if any unit price for a lump sum item is included in a bid and it differs from the item total, the items total shall prevail.

The foregoing provisions for the resolution of specific irregularities cannot be so comprehensive as to cover every omission, inconsistency, error or other irregularity which may occur in a bid. Any situation not specifically provided for will be determined in the discretion of the County of Sonoma, and that discretion will be exercised in the manner deemed by the County of Sonoma to best protect the public interest in the prompt and economical completion of the work. The decision of the County of Sonoma respecting the amount of a bid, or the existence or treatment of an irregularity in a bid, shall be final.

It is hereby agreed that the undersigned, as bidder, shall furnish a Faithful Performance Bond and a Labor and Materials Bond, each in the amount of one hundred percent (100%) of the total amount of this Proposal, to the County of Sonoma and at no expense to said County, executed by a responsible surety acceptable to said County, in the event that this Proposal is accepted by said County of Sonoma.

If this Proposal shall be accepted and the undersigned shall fail to contract as aforesaid and to give the bond in the sum to be determined as aforesaid, with surety satisfactory to the Department of Transportation and Public Works of Sonoma County, within 8 days, not including Saturdays, Sundays and legal holidays, after the bidder has received notice that the contract has been awarded, the Department of Transportation and Public Works may, at its option, determine that the bidder has abandoned the contract, and thereupon this Proposal and the acceptance thereof shall be null and void and the forfeiture of such security accompanying this Proposal shall operate and the same shall be the property of the County of Sonoma.

The undersigned, as bidder, declares that the only persons or parties interested in the Proposal as principals are those named herein; that this Proposal is made without collusion with any other person, firm, or corporation; that he has carefully examined the location of the proposed work, the annexed proposed form of contract, and the plans therein referred to; and he proposes and agrees if this Proposal is accepted that he will contract with the County of Sonoma, in the form of the copy of the contract annexed hereto, to provide all necessary machinery, tools, apparatus and other means of construction, and to do all the work and furnish all the materials specified in the contract, in the manner and time therein prescribed, and according to the requirements of the Engineer as therein set forth, and that he will take in full payment therefor the following item prices, to wit:
