*Statements of Qualifications are optional and are printed at the expense of the candidate. Candidates who are required to prepay the estimated costs will either be billed for the additional costs or refunded any overpayment following the election. Estimated costs for Statements of Qualifications are based on the printer's price list, set-up fees and the number of registered voters within the jurisdiction. Estimates are for statements not exceeding 250 words. Final costs will be determined by the number of candidate statements, including English and Spanish, that are submitted for an individual office. Candidates are required to submit a check with "not to exceed" the highest possible cost for 1 (or 2 Statements of Qualifications if filing Spanish), written under the amount line, (Elections Code §13307(c)). All checks will be held until after the final deadline to withdraw a candidate statement. The above estimates are for printing Statements of Qualifications in Sonoma County Sample Ballots only. You must contact other counties for their estimated costs of printing Statements of Qualifications.

U.S. Representative and State Legislative Candidates

CANDIDATE INFORMATION

Important notice to candidates in districts that encompass more than one county ▶ Procedures, requirements, fees, formats and public examination periods for candidate' statements may vary between counties. It is the candidate's responsibility to contact each county (in which he or she wishes to have a statement printed) within the district to obtain the appropriate information from each county. Failure to do so may jeopardize the printing of the candidate's statement.

The text of the statement shall not exceed 250 words. Word count standards shall be pursuant to Elections Code §9.

All statements must be submitted on, or attached to, the form provided by the county elections official of each county in which the candidate wishes to have his or her statement printed. Statements must be formatted pursuant to the guidelines provided by each county. Statements not submitted in the appropriate format will be reformatted by the county elections official. The county elections official bears no responsibility for the correct typesetting of statements that must be reformatted.

Statements shall not, in any way, make reference to other candidates for office or to another candidate's qualifications, character or activities.

The statement will be printed in languages required by the Voting Rights Act as well as those languages, if any, required by the counties within the jurisdiction. If Spanish is not a required language, a candidate may request a Spanish translation of his or her statement at additional cost.

Costs of providing statements to voters, including translated statements, shall be paid by the candidates.

FILING INFORMATION

Candidates' statements shall be filed in the office of the elections official of each county within the district in which the candidate wishes a statement to be printed, not later than 5 p.m. on the 88th day prior to the election, or in the event that the nomination period has been extended, until 5 p.m. on the 83rd day prior to the election. Candidates' statements are confidential until the expiration of the period for filing such statements. Statements may be withdrawn, but not changed, until 5 p.m. of the next working day after the 88th or 83rd day prior to the election, whichever is applicable.

It is strongly recommended that the statement be filed personally by the candidate. If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletions to the statement in the event that errors or an excess number of words are detected prior to filing the statement. Statements received by mail prior to the deadline will be filed provided that they meet the statutory requirements and county policies regarding candidates' statements. Statements may not be changed after filing.

Counties may require candidates to deposit the estimated cost of printing the statement at the time of filing the statement or may invoice the candidate for the actual cost of printing the statement after the election. If the actual cost of printing the statement exceeds the deposited amount, the candidate will be invoiced for the remainder of the cost. If the actual cost of printing the statement is less than the deposited amount, the candidate will receive a refund of the overpayment.

Candidates' statements are available for public examination in the county elections official's office 10 days prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the county elections official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. Venue for such a proceeding shall be the county in which the statement is filed. If the statement is filed in more than one county, the writ or injunction must be sought in each county in which amendments or deletions to the statement are sought.

NAME: John Q. Candidate

(STATEMENT / WORD COUNT BEGINS HERE)

I am running for the 81st Assembly District because I believe I can bring a fresh outlook to the legislature. There are pressing issues facing our district, and I want to be a part of the solution. School districts and local governments need more funds to supply needed services. Citizens need to have confidence that their needs, including housing, safety, jobs and education will be met.

I have lived and worked in this district since 1948. I own a small printing business which I started in my garage in 1982. Today that business is quite successful and I have 27 employees. I believe state government can and should be run like a business. There is a limited amount of money with which to fund government services, and we need to examine our expenditures very carefully.

I am well qualified for this position. I attended local schools before joining the military in which I served for 6 years. At the completion of my military service I returned to Anytown and attended the State University, from which I graduated with honors in 1986. I served on the Uptown Unified School District governing board from 1988 through 1996 and currently am serving on the Anytown City Council.

My wife, Jane and I have three children, Joshua, 18, Justin, 16 and Jessica, 13, all of whom attend local public schools. I want this district to continue to be a wonderful place to live, work and play for generations to come.

Thank you for your vote.

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES

as found In Chapter 5 of Division 20 of the California Elections Code

Chapter 5. Fair Campaign Practices

Article 1. General Intent

20400. *The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.*

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Article 2. Definitions

20420. *As used in this chapter, "Code" means the Code of Fair Campaign Practices.*

Article 3. Code of Fair Campaign Practices

20440. *At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.*

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

20441. *The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.*

20442. *The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.*

20443. *Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.*

20444. *In no event shall a candidate for public office be required to subscribe to or endorse the code.*

CAMPAIGN DISCLOSURE REQUIREMENTS

Additionally, you must file a copy of Form 410 along with an original of the final campaign statement (Form 460) with the appropriate filing officer.

CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

BE INFORMED: *The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures. The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements, some identified in audit reports, are provided here:*

- Even unopposed candidates are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$2,000 or more during a calendar year.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California and report it on a Form 410.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Filing fees and candidate statement fees may be paid in cash if the candidate is using personal funds and will not be reimbursed through the committee. (Gov. Code §85200) Otherwise, campaign disclosure laws require that expenditures of \$100 or more be made by written instrument containing the names of both the payee and payor. (Gov. Code §84300)
- Never accept or spend \$100 or more in cash. (Gov. Code §84300(a),(b))
- For contributions of \$100 or more, including loans, and in-kind contributions, you must disclose the contributor's name, street address, occupation and employer. (Gov. Code §84211(f),(g)) Contributions of \$100 or more may not be made in the form of a money order or cashier's check. Contributions may continue to be made with a credit card.
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$2,000. Refer to recordkeeping guidelines in appropriate Campaign Finance Disclosure Manual.
- Make copies of all contributor checks.
- Candidates must disclose occupation and employer information for all donors of \$100 or more.
- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page. Payee street addresses must be disclosed on the campaign statements for expenditures made (Gov. Code §84211(k)).
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed.
- All Committees making or receiving contribution(s) that total in the aggregate \$1,000 or more during the last 90 days before the election, must disclose receipt within 24 hours, even if the contribution is from your personal funds.
- (County Candidates as per Ordinance 5798) If \$500 or more including contributions aggregated that are made to or received by a county candidate during the last 16 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.
- Any person who makes independent expenditures in support of or in opposition to a single candidate for elective office or a single ballot measure, which accumulate to one thousand dollars (\$1,000.00) or more during the 90 days immediately preceding the election in which the candidate or measure will be voted on shall file Form 496 within twenty-four (24) hours, each time an independent expenditure is made (Form 462 affirming the independent nature of the expenditure is required). Per Local Ordinance 5798 - Committees supporting or opposing any County candidate are required to file 24 hour independent expenditure reports during the local election cycle.
