- MHSA Public Comment
  - Missy Jackson comment is funding for Mental Health programs for schools and the possibility of using MHSA funds for that, please include in report.
  - Betzy asks how Measure O funding fits in with MHSA? Does measure O support the funding MHSA provides to sustain or supplement the work?

Answer: Melissa Measure O is additional funding source. MHSA has a lot of restrictions on how to spend money – more than Measure O. Usually measure O and MHSA are not paying for the same thing.

• Kathy Smith – question How are the peer centers being funded?

Answer: Melissa – Peer centers are currently cut from the budget but Board of Supervisors was asked to approve funding. They are funded with Measure O money. If you read the MHSA they do belong under the MHSA funding and we are hopeful that if there is a change in the expenditure plan that they may be funded under MHSA>

• Kathy Smith - comment is that MHSA should be funding the Peer Centers, please include in report.
